

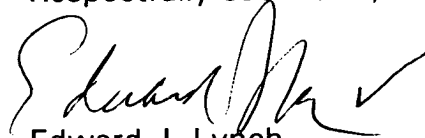

Fig.11, Fig. 12 and Fig. 13. In response thereto the applicant elects the species of Figs. 1-9. Claims 18 and 23-29 appear to read on the species elected. Claim 18 appears to be generic to read on all species.

Applicant believes that the elected claims define patentable subject matter and requests consideration and an early allowance thereof.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Edward J. Lynch', followed by a checkmark.
